

You can save both time and money on the prescription drugs you take regularly with Blue Cross of Idaho Rx's 90-day maintenance drug benefits. Pick them up at an in-network pharmacy or have them delivered right to your home thanks to our pharmacy partner, CarelonRx.

Maintenance drugs are the drugs you take regularly to manage long-term conditions like asthma, diabetes or high blood pressure. By getting a 90-day supply of these drugs you may save money compared to what you would pay for 30-day supplies. Plus, you will make fewer trips to the pharmacy while making sure you have the drugs you need to manage your health.

How to get started:

- Log in to ***members.bcidaho.com***
- Select the ***Pharmacy tab*** at the top of the page
- Select ***Manage My Drugs***
- From the ***Home*** tab on our pharmacy partner CarelonRx's website, you can
 - Request a new home-delivery prescription
 - Manage refills
 - Find an in-network pharmacy
 - Get an estimated cost of a drug

It's easy to get started. You can also call the Blue Cross of Idaho Rx customer service number on the back of your member ID card for help.

CarelonRx is an independent company that administers pharmacy benefits on behalf of Blue Cross of Idaho.
